

# Blues

Before practicing this piece, try listening to the recording on the web site. You can hear the student part and the teacher part separately, or put together. Can you play along with the recording of the teacher part?

This piece uses open strings and first Finger.

To play the measures that have “D E D E,” you play open D and first finger on D.

To play the measures that have “A B A B,” you play open A and first finger on A.

If the letter has a dash after it, that means to play a long bow. Can you memorize this song?

## Blues

The teacher part starts with an introduction, then you play:

D E D E	G G G-	D E D E	G G G-	
D E D E	G G G-	D E D E	G G G-	
A B A B	D E D E	G G G G	G (short)	

Then repeat!
